We've become seasoned travelers in the pursuit of the finest foods and specialty items throughout the store to help you enjoy authentic Italian dishes at home. It wasn't enough for us to hear that Naples was the legendary birthplace of pizza and pasta, we visited that and other regions in Italy to learn more. Our culinary experts came back with cooking techniques, exciting foods and products, and authentic recipes to share with you.

Visit the Produce Department at lunch and dinner time to get a sample of our savory Butternut Soup made with Wegmans imported *Italian Classics* Soup Pasta and fresh butternut squash. And check out the Meat, Seafood, Prepared Food, and other departments for complete meal solutions that give you a taste of Italy.

All of our *Italian Classics* products make it easy to put together regional recipes from scratch. Sauté like a pro with our versatile, non-stick Tegame pan from Milan for fast cooking and cleanup. You'll also find imported *Italian Classics* jar sauces and dry pastas, as well as fresh pasta and sauces, olive oils, genuine Parmigiano Reggiano cheese, and a kitchen's worth of basic ingredients, helpful tools, and handy accessories.
